

K-LOVE is a station my whole family listens to every day. It is a very wholesome and uplifting radio station but at the same time it is definitely not boring! It supplies us with entertainment as well as national news. It definitely has a positive and encouraging impact on communities all across America. I believe K-LOVE would suffer as well as the local community if it were to be displaced by an LPFM broadcaster.

Please preserve the service they provide to my family and to the millions of listeners they serve.

Thank You,

Mark, kymn and Family
